

WingPoints® Rewards Program

Unlike other rewards programs, the WingPoints Rewards Card allows you to reward your customers with things they actually want, and can use right away. They can choose a gift card from our online card mall, where you will find a wide selection of big name retailers and popular restaurants. They can also select a pre-paid debit card acceptable at thousands of locations or even donate your points to charity. The point is, WingPoints gives them more choices and freedom to reward themselves. Just another reason to trust in the wings of Phillips 66® Aviation whenever you fly. For more information, please visit www.wingpoints.com
